

TRILOGY

GET YOUR SAVINGS WORKING HARDER SO YOU CAN FOCUS ON THE THINGS THAT MATTER MOST

For more than 11 years, the Trilogy Monthly Income Trust has helped thousands of investors access income paid monthly through its investment in loans secured by registered first mortgages over Australian property. Trilogy is driven by building your wealth with us, one month at a time.

¹ Net distribution paid to investors calculated daily and paid monthly in arrears for the month ended 31 August 2018 equivalent to 7.72% per annum. Net distributions are variable each month and are quoted net of management fees, costs and assume no reinvestment. Past performance is not a reliable indicator of future performance. IMPORTANT: This advertisement has been prepared by Trilogy Funds Management Limited (Trilogy) ABN 59 080 383 679 AFSL 261425 as responsible entity and issuer of Units for the Trilogy Monthly Income Trust (Trust) (ARSN 121 846 722). Trilogy has issued a Product Disclosure Statement for the Trust which is available at www.trilogyfunds.com.au or by contacting us. Applications will only be accepted on the current application form that accompanies the PDS. You should obtain a copy, understand the risks, and seek personal advice from a licensed Financial Adviser before investing. Investment in the Trust is subject to terms and conditions, and risks which are disclosed in the PDS. These risks include the risk of losing income or principal invested. The Trust is not a bank deposit and Trilogy does not guarantee its performance. Trilogy provides only general financial product advice on its own products and does not consider your objectives, financial situation, or needs in providing such advice.
